WHAT IS THE GREAT AMERICAN SUMMIT?

PATRIOTISM WITH PURPOSE

The Great American Summit brings together some of the country's most patriotic and successful entrepreneurs, business leaders, genuine heroes, nonprofit, and personal development experts in a high intensity, power packed live event. - Strengthen yourself, your family, your community, and our country.

All Event Proceeds To Be Donated To Charitable Organizations Serving Our Nation's Youth And our Military, Law Enforcement, and First Responder Heroes.

This event is centered on the principles and core values our country was founded on.

The Great American Summit is your chance to connect, collaborate, and conquer challenges with patriotic Americans like you.

Our first GREAT AMERICAN SUMMIT was held in January, 2022. It not only survived the peak of the Omicron variant, lingering mandates and fear mongering, and a wave of canceled flights - it left a lasting impression on all who attended and participated.

WHO THE HECK IS RUNNING THIS EVENT, YOU ASK?

DAVE BROWN | BARB ALLEN | ANTHONY RUSSO

Dave Brown and Barb Allen are proud to announce a new partnership with Anthony Russo. These three are a triple threat team joining forces to make the second GREAT AMERICAN SUMMIT the MUST ATTEND EVENT of 2023.

Barb Allen is a gifted author, a profound and sometimes hilarious Speaker, and host of the Flex Your Freedom Podcast. Her first husband, Lt Louis Allen, died in Iraq, making Barb a Gold Star Wife. The circumstances of her husband's death thrust Barb into the military judicial system, a national spotlight, and years of trauma as she raised her four boys and struggled to rebuild their lives. Today she is engaged to Dave Brown, and together they created the GREAT AMERICAN SYNDICATE.

Dave Brown is a Real Estate Investor who has also coached hundreds of people in that industry. He is the wizard behind the scenes of the GREAT AMERICAN SYNDICATE as well as a proud father.

Anthony Russo is the founder of #bethechange and AwakeNotWoke clothing. He is the host of the Truth Will Set You Free podcast and Blunt Force Discussion. He's operated a seven figure experiential marketing staffing agency and he's emceed events where he has been on microphone in front of 70k plus, always bringing an exciting and humorous energy to every event.

GREAT AMERICAN ★ SYNDICATE ★

The Great American Syndicate community, the Flex Your Freedom Podcast, and Patriotic Apparel line are for those who understand that patriotism is our common bond and the foundation upon which we can all unite. Our beliefs are centered on America's core values, personal freedom, free speech, freedom of religion, equality of opportunity, sanctity of life, rule of law, and a commitment to protecting the hopes, dreams, and liberties of We, the American people. We believe that real change will never come from Washington, but in the hearts, minds, and actions of great American citizens across the country. That's why we created the Great American Summit.

OUR UNIQUE EVENT CONCEPT

IT IS UNAPOLOGETICALLY PATRIOTIC

This event has several pathways for all in attendance to donate to featured causes. **Our goal is to raise \$150,000 to donate to these causes.**

Patriotism is unleashed and proudly on display. The GAS is built on the foundation of the immense opportunities we have as Americans, our gratitude for those who serve, and our responsibility to utilize those opportunities for ourselves and others.

This event includes genuine heroes, patriotic displays, jaw-dropping renditions of our national anthem, and the moment of our big reveal, where every single attendee, speaker, performer, and sponsor sees for themselves what their presence and support has achieved as the amount of money raised is announced, and the causes that money goes to are introduced.

Imagine, for a moment, what that moment will feel like, and what knowing it would not be possible without your support, will feel like for you.
